

## ***Rally Day***

Help us celebrate Rally Day and the beginning of our fall education season on Sunday, September 12. We will install our education leaders, meet our Sunday school teachers, join together in a time of fellowship with a cross generation stewardship event, and of course, have our annual balloon launch.

We ask that Sunday school children and their parents go to their respective Sunday school rooms at 10:10 a.m. to meet their teacher and to pick up a jar for the craft project. Then the parents and students will gather in the Fellowship Hall to complete the craft project.

We are looking forward to seeing you here!
