**How will you be a part of your child's Christian education?**

The programs we offer your children are only a portion of the nurturing they need for their Christian Education. We encourage and invite all parents to become involved with their children's programs at church and to involve your whole family in activities and educational offerings. We want to be your partners in growing a family of faith at St. Pauls. Please contact us to visit about how you can be a part of this important ministry.
